NOTICE BOARD

There is now a notice board at the back of the church, near the PA desk, which contains information relating to all the events occurring in Rugby, that the churches are involved in. Please take some time to have a look.

NLC WEEKLY PRAYER AND PRAISE LETTER keep up to date via Kem's weekly e-news. If you would like to be added to this list see Kem. If you do not have an email address she can post one to you.

The foodbank continues to work towards its opening date in mid-March and we still need to collect food on an on-going basis. When you are doing your weekly shop why not pick up one extra item and donate it to the RFB. The list is available on our website at www.rugby.foodbank.org.uk There is a collection point box you can donate food into near the PA desk. **Items in short supply are: tinned meats and fish and jars of coffee**

RFB will be holding a **training day** for all volunteers together with those considering volunteering on **Saturday 11 Feb, 10-3pm**. Light lunch and refreshments will be included. This will give you the opportunity to understand more about the ethos of the foodbank, how the distribution will take place and training given in deciding and packing the appropriate amount of food per client together with chatting and signposting them to the relevant agencies. If you would like to attend, please speak to Diana.

Please continue to pray for this venture which will touch the lives of many people in our community and allow us to bring practical help and hope.

HOME GROUPS/MIDWEEK MEETINGS

For the next few months, there will be no home groups. We will, instead, be gathering at the church on a Wednesday evening at 8pm, to look into and discuss the word on certain key issues. There will also be times of prayer. For those unable to attend minutes from these meetings are located on the info table. The meetings are also recorded and if you would like a copy please speak to Andrew or Diana.

28 Jan – 5 Feb is poverty and homelessness action week – for more information visit their website on: www.actionweek.org.uk and also the info board in church.

MEN'S MEETING - CURRY NIGHT

The next men's meeting will be on **SATURDAY 11th FEB**. This will be a social meeting and will include going for a curry. Could all who are attending please meet at **NLC at 7pm**

Welcome to New Life Church, we hope you will enjoy your time with us.

NEW HERE? Perhaps you are with us today because you are looking for a church home or you are curious & want to know more about Jesus? Please feel free to observe & join in the service, wherever you feel comfortable. Refreshments are served at the end of the service and you are most welcome to stay.

Do you have children? We have a manned crèche and Sunday school classes during the second half of the service. Your children are very welcome to go to these with or without you, or to stay in the meeting with you. Ask a steward for directions. You will need to collect them at the end of the service.

Welcome Courses? If you would like to know more about us we frequently run 'Welcome' courses, please see Andrew Scotland or Mark Mansell for further details.

HOME GROUPS. Several House Groups meet during the week for times of fellowship, discipleship & Bible study. If you would like to attend, please see Andrew Scotland.
